Mr. Paul M. Harlow
Village Manager
Village of Glencoe
675 Village Court
Glencoe, IL 60022

Dear Mr. Harlow:

Thank you very much for your cooperation with the first phase of 1-94, the Edens Expressway, project this' past fall. As you are aware this is a major project and your continued cooperation is greatly appreciated.

Once again we are asking for the same level of cooperation this spring as we begin the next phase of construction. Work will begin on or about April 4, 2008 weather permitting. The first few weeks of construction will be challenging, but I am confident that with your support we can make the process as smooth as possible.

The Illinois Department of Transportation will host an informational meeting for elected officials and affected municipalities on the 2008 construction schedule and impacts on Wednesday, March 14 at the Northbrook Public library located at 1201 Cedar Lane in Northbrook. The meeting will begin at 1 pm.

IDOT realizes that this project will be an inconvenience for you and your constituents. Please know that we are cognizant of the work taking place throughout the region and the impact it has on commuters. It is our intent to make certain that you are kept apprised of all work being done on the Edens.

This construction will help to eliminate the constant repair work we have had to do on the Edens Expressway over the last few years, allowing us all to enjoy a smooth and safe ride on 1-94.

Please remember to share with your constituency our website www.edensi94.com. The website will enable viewers to receive current updates on the progress of the project. Also, please remember to sign up for the Illinois Traffic Alert system to receive real time traffic reports which will be sent to your cell phone or Email.

On behalf of IDOT, I appreciate your cooperation and patience. If you have any additional questions, feel free to contact me at (312) 793-2242.

I Remain,
